- Meet with your Campus/SIMS contact to ensure your data is accurate as of these dates.

Accessing your NCLB download in Campus 2006

- On the left hand side of your screen you'll see a folder called "SD State Reporting."
- Then under that click on "NCLB Student Data".
- Then you can select the year you want the information from. Ex 2005, 2006 etc...
- It will open up into Excel and you can check on each child's test result and what subgroup each one will fit into.
